

## Golf Cart Information

You can pick up your carts between Barns 1 & 2 after 4pm on Sunday, the 25th. They can be returned in the same place.

Golf Carts can be charged at your RV space or at your grooming stall by extension cord. They CANNOT be charged at ANY stall that is unoccupied. If you do this, we will be charged a fee by the park and we will have to pass that fee on to you.

Carts cannot be in the barn aisles during show hours. If you charge your cart at the barn overnight, it must be removed from the barn area before 7:00 am. Exhibitors will need to be in the barns to start grooming at that time.

Please pay attention to the Golf Cart Parking and No Golf Cart signs. Carts cannot be parked ringside at any venue.

If there are horses present in the park - BE CAREFUL! Serious injuries can result if horses are spooked by carts.
